

Get primary, urgent, and mental health care online and on your time.

With Doctor On Demand® by Included Health, get high-quality care for your healthcare needs from home.

Get care from anywhere.

- See a primary care doctor online in days instead of waiting weeks.
- Get urgent care virtually from your phone or computer, 24/7/365.
- See a licensed therapist online for mental health support when you need it.
- See a board-certified psychiatrist online night or day.
