

Taking care of you starts with Doctor On Demand®.

You have 24/7 access to urgent and mental health care, right from your phone, tablet, or computer—wherever you feel most comfortable.

Virtual care is right at your fingertips.

Looking for a doctor you can trust?

Our doctors have an average 15 years of experience.

Have an urgent health issue?

Connect with a doctor in minutes, night or day.

Need mental health support?

See a therapist or psychiatrist in days, not weeks.

No time for an in-person visit?

Book an appointment online for care at home.

Here's what we treat:

- Allergies and asthma
- UTIs
- Sinus infections
- Cold, flu, and COVID-19
- Depression and anxiety
- Grief and loss
- Prescriptions and refills
- And more
